

Girl POWER®

FREE!

INTRODUCING YOUNG WOMEN TO THE POWER INDUSTRY.

- ⚡ Climbing
- ⚡ Bucket Trucks
- ⚡ Drones
- ⚡ Fiber
- ⚡ Locate
- ⚡ Tools
- ⚡ and more!

Female high school students who love being outdoors can take part in a unique, one-day, hands-on introduction to electric line work. The **VA, MD & DE Association of Electric Cooperatives** is hosting its **Girl Power® Camp**, giving participants the chance to explore the skills, tools, and teamwork involved in the electric utility industry.
